

Section 401 Water Quality Certification Public Notices

The Central Coast Water Board is currently reviewing applications for the following project for certification under Section 401 of the Clean Water Act. We encourage public comments on the proposed work, which will be considered in the decision. You may submit comments in writing on any of these projects to:

Central Coast Regional Water Quality Control Board
895 Aerovista Place, Suite 101
San Luis Obispo, CA 93401
Attention: 401 Coordinator

Project Applicant	Matt Roberts, City of Carpinteria
Applicant's Agent	N/A
Project Name	The Palm to Linden Trail
Receiving Water	Drainage ditch on APN 004-105-014
City/County	Carpinteria/Santa Barbara
Public Notice	12/18/2008-1/8/2009
Project Description	<p>The purpose of this project is to improve and enlarge an existing drainage by removing invasive non-native weeds and establishing native plants. The project will provide storm water runoff filtering benefits using pass through bioswale strategies. The project will also provide educational information to trail users by showing how a bioswale works.</p> <p>The project activities include:</p> <ul style="list-style-type: none">• Excavation of approximately 600 cubic yards of earthen material for the purpose of enlarging an existing drainage swale. Approximately 0.2 acres of wetland will be enlarged to 0.4 acres.• Removal of invasive vegetation and revegetating the enlarged swale with native wetland vegetation.• Construction of a 330 foot long pedestrian boardwalk and interpretive signs along bioswale. <p>Mitigations will include: Preservation of 0.4 acres of jurisdictional wetlands and enhancement of 0.2 acres of jurisdictional wetlands.</p> <p>A Notice of Determination was filed and approved on July 1, 2008.</p>
